“ I extend my deepest condolences to the Scott family, especially my God mother, Lillian. Scottie will be missed by so many people; his kindness and friendship was given to so many even during tough physical times in his own life. He never complained and he never gave up. He always wanted everyone to have fun which is why he was the dance partner to all the single ladies wherever we went! A few months ago, I was driving near Roman Catholic High School when I saw this gentleman slowly walking along the street, I thought, "wow, he reminds me of Scottie". Well, it was Scottie! He never allowed his illness to get him down, he pushed through it all to maintain a quality to his life. Rest well Scottie, you are always in my heart.

“ Scotty was a very good brother and friend of mine who i worked with on the railroad for many years. Kind, generous and would give you the shirt off his back. 20 years retired although he had some sickness alone the way, every time we crossed paths it was always the same. RIP
